

COMMITMENT BY BEACON. PERFORMANCE BY WABASH.

Customers come first at Beacon Transport, but the carrier's sheet and post trailers were making it challenging to deliver on its commitments. Forklift damage, downtime for repairs and decreased resale value were adding up, costing in both dollars and reputation. It was time for a change.

Beacon turned to its trusted dealer, Fleetco. The solution: Wabash DuraPlate® trailers. Unmatched in durability and performance, our trailers provide the confidence Beacon needs to stand behind their promises.

"We will be converting our entire fleet to Wabash trailers."

— Stan Pritchett, Owner, Beacon Transport
